MEMORANDUM FOR: Chief, Policy and Plans Group

FROM: [REDACTED]

Deputy Director of Security (P&M)

SUBJECT: DDA Quarterly Review

1. Mr. John McMahon is said to have sent a blistering memorandum to the four Deputy Directors expressing his strong displeasure at the progress/opportunities being provided in the Agency. He apparently feels strongly that there should be more women in the supergrade ranks, and he is quite interested in the Category ranks/potential of women professionals moving up through the ranks. [REDACTED] is aware of this, and she is preparing some statistics for the Director of Security concerning the numbers of women professionals, grade status, etc.

2. My point is that we might piggyback on [REDACTED] review and provide a chart that the Director of Security might use as part of his introduction. I think we have done well since PARC/SORT was established in 1974, and the topic is very timely.
